

BCOR hinges

Hinges may be tucked away inside furniture, but they are still subject to external influences. Warm humid air and chemical cleaning products can damage the surface of your hinges. That's why we have developed our own extra layer of protection to enhance the high quality materials we use. The result: BCOR, improved surface protection for hinges.

BCOR CLIP top/CLIP top BLUMOTION Hinge System

CRUCIFORM CAM MOUNTING PLATE

(Fixing with chipboard screws)
